Alumni speaks for us

Dr. Farhana Haque

PhD Researcher at UCL Institute for Global Health
London, Greater London, United Kingdom
Ex Assistant Scientist, ICDDR,B &
Outbreak Investigation Officer, IEDCR.

"The MPH program at IUB instilled the grammar of research into my mind. Deciding to do my MPH from IUB was the right decision at the right time"
IUB Session 2007-08

Dan Odhiambo Odallo

UNAIDS country coordinator Eritrea

"I have extremely benefited from the project design and research based courses. I can now not only better manage program related issues but also perceive research gaps well and thus add my bit of knowledge in exploring them"

IUB Session 2008-09

Marufa Alam

Doctoral student at Research School of Public Health, Australian National University, Australia.

"The MPH program at IUB greatly facilitated my professional career and eventual admission in a PhD program"

IUB Session 2008-09

Dr. Jinsoo Min

Clinical Fellow, Division of Pulmonary and Department of Internal Medicine, Seoul National University Bundang hospital, Korea

"As a foreign student, I was able to meet many colleagues and teachers from various backgrounds. It was definitely the most precious experience in my life"

IUB Session 2012-13
